From 1 to 10 Years

Fred Wilson, who on Monday night was found guilty by the trial jury of manslaughter, was sentenced by District Judge Stoddard yesterday at Reno to serve not less than one nor more than ten years in the state prison. A motion for a new trial by Wilson's attorneys was denied. Wilson was charged with the murder of T. Wada, a Japanese restaurant keeper in Reno on October 20, 1914. The jury, in returning the verdict, recommended that the court exercise leniency.

Files Separate Informations

Frank Brockliss, district attorney of Douglas county, has filed separate informations against Joe Manfrina and Lena Manfrina, charging them with the crime of cohabitation in lewdness, a gross misdemeanor, and the attorneys for defendants have notified the district attorney, demanding an immediate trial, to the end that they may be heard in a court of justice. It is their intention to demand a joint trial on the ground that the crime charged, if true, is inseparable.

TOM LEARY FOR SHERIFF

Nearly in importance to the office of county commissioner is the office of sheriff and assessor. The sheriff is charged with the enforcement of all laws governing counties and cities and to a large degree is responsible for the safety of its citizens and their property. He is the peace officer of this community and is looked to by the parents of boys and girls in the city to strictly enforce all laws for their protection. The office of assessor is combined with that of sheriff and it is important to every property owner in Ormsby county that the office be filled by a man who will be eminently fair in making valuations, treat all alike and give everyone a square deal.

Tom Leary, the Democratic nominee for that office, fills the bill in all the above particulars. Mr. Leary has been a resident of this county for over twenty-five years, is a blacksmith and horseshoer by trade and has been engaged in that business ever since coming to Ormsby county.

Eight years ago he was elected a member of the legislature. At that time a bill was introduced to remove the state prison to where Bowers mansion is in Washoe county, and only through the indefatigable efforts of Mr. Leary and his colleagues Smaile and Raycraft, was it defeated. He also introduced a bill which passed both branches of the legislature appropriating \$8,000 for concrete walks around the state capital. Two years ago he was re-elected to the same office, securing an appropriation of \$5,000 for the beautifying of the state capitol grounds. As a member of the legislature he was always on the side of labor, voting and working for every measure affecting their interests.

As sheriff and assessor of Ormsby county the people can depend upon the enforcement of the laws and a fair and equitable valuation of their property.

Sheriff Breaks Arm and Thumb

Sheriff Joe Stern broke his right arm and thumb this morning about 11:30 o'clock, while cranking an automobile at the Anderson ranch, just southeast of town. A complaint had been made at the sheriff's office this morning about cattle trespassing on the ranches in that section of the county and in company with Ray Tucker and District Attorney John Chartz, Stern drove down there in an automobile to investigate the cause of the trouble.

As they were about ready to return home the sheriff started to throw it over by the starting crank, when it flew back and whizzing around struck him on the wrist fracturing it and the second time hit him on the thumb, breaking it also.

A telephone was at once sent to Dr. Maclean, who met them and the sheriff was taken to his office and his injuries attended to. This afternoon the X-rays are being used on his arm to determine the extent of the break.

Topics of Interest

At the meeting of the Leisure club this evening two topics of timely interest will be discussed. Mr. Patrick will take up "The Electoral College," and Dr. Krebs will have a paper on "Infantile Paralysis." As both topics are of more than usual interest those of the general public who wish to hear the papers are invited to attend.

Old-Fashioned Box Social

An old-fashioned box social will be held in the League rooms of the Methodist church Saturday evening October 28th. Ladies will bring fancy boxes filled with dainty lunch for two. The young men will buy these boxes at the auction stand. Everybody cordially invited to attend.

The tax rate of Ormsby county for the year 1916 will be \$3.73, as against \$3.95 for the year 1915, a reduction of 22 cents on the \$100 valuation of property. The state tax is .46 as against .56 for last year, a reduction of 10 cents on the \$100.

Judge and Mrs. P. A. McCarran left by auto this afternoon for Reno, where the judge will preside at the big Pittman meeting to be held in the Grand theater of that city this evening.

Thursday afternoon, October 26th, the ladies of St. Peter's church will hold a tea in Guild hall. All are most cordially invited to attend.

Sentiment Is for Wilson Everywhere

RENO, Oct. 25.—"I am meeting with a very cordial response from all over the country, and although it would be permissible to call my views biased, I am firmly convinced that the sentiment throughout the country is overwhelmingly in favor of Wilson," said Charles A. Towne, former senator of Minnesota and one-time candidate for the vice-presidency, who is stumping the country for the Democratic party and who was a visitor in this city yesterday. "Convinced as I am that Wilson will be returned to the great office which he has so ably filled, I figure it much of a calamity if the voters of Nevada fail to return Key Pittman to the senate and send E. E. Caine to the house."

"Both these men are needed to aid Wilson in the trying times to come and to help in the constructive legislation that will again be a feature of Wilson's constant endeavor. These men should be elected as I told the people of Gardnerville when I spoke to them Monday night. I am to speak in Winnemucca and I will there take occasion to combat some of the false impressions that I understand are being circulated by the Republican and Socialistic candidates for the senate against Pittman. He is fast developing into one of the strong figures of the senate and some of his measures for the benefit of Nevada are being grossly misrepresented."

Boyle May Lead Wilson Day Parade

RENO, Oct. 25.—"Unless I am detained in Goldfield where I am to address the Federation of Women's clubs on the 26th, I will be glad to join you and march at either the head or the foot of your parade," writes Governor Emmet D. Boyle in response to a request by the Democratic County Central committee that the governor head the big old-fashioned parade and rally that is to be the big feature of the observance of Wilson Day on October 28th.

Plans are going forward rapidly for the parade and rally on a scale never before attempted for a similar celebration in Washoe county. The women of the county meet tonight at the headquarters of the Democrats in the Gazette building to perfect arrangements for their participation under the leadership of Mrs. F. G. Patrick, confident of furnishing a strong protest against the propaganda promulgated by the Woman's party in their fight against Wilson and Pittman.

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anurie," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced, and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments. Yours truly, W. A. ROBERTS.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anurie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "Anurie" for their anxious customers in and around this locality. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

EDITOR—Please insert this letter in some conspicuous place in your paper.
